

COMMUNI-TEE TIMES

Saskatoon x Greenbryre GC Procedures | Updated April 28, 2022

Make new Golf Gal pals and get on the course more often without having to find and recruit golfers to book with. Greenbryre has held (4) tee times just for Golf & Tacos gals to reserve on our platform. Book in as a solo or register with friends—the max that can play together is FOUR GOLFERS per tee time.

LOCATION: Greenbryre Golf & Country Club

Spicy Level: MEDIUM, HOT, SPICY

These tee times are best suited for MEDIUM-SPICY golfers that are comfortable playing a standard full length golf course. MILD golfers who are brand new should first take lessons—trust us, you'll be happier investing in the instruction first.

 **RESERVE ON GOLF & TACOS - SASKATCHEWAN APP OR WEBSITE (SAME ACCOUNT),**
 **THEN PAY AT GREENBRYRE PRO SHOP**

FEES YOU'LL PAY AT GREENBRYRE: \$38.50 tax included

GROUP 3 – 5:46 p.m.

GROUP 4– 5:54 p.m.

BEFORE YOU BOOK

LATE CANCEL POLICY: Golfers ***must*** cancel the booking 72 hours before the tee time or may be billed a \$52 late cancel fee if the spot is not filled from the waitlist (aka, you're on the hook for the tee time). *****You'll be able to see there's a waitlist and you can decide. Someone on the waitlist will be automatically added. If there's not***

waitlist—cancel at your own risk. We will ONLY bill you for this tee time if no one takes the spot. Not intended to be harsh, we just can't be on the hook to pay Inglewood G&CC for your no shows. If you're not cool with the terms, please don't book.

NO SHOW FEE: Golfers that do not check-in and pay at the pro shop will be billed a \$25.00 no show fee to cover the greens fee. You will not receive a rain check or credit. This covers the missing fee we will owe Greenbryre G&CC if you ghost.

We understand life happens. However, we also need our community to understand that the golf industry is very busy right now and getting advanced booking is a luxury that Greenbryre has offered us. We have a responsibility to ensure these Communi-Tee Times flow well to keep them rolling all summer long!

A FEW OTHER NOTES:

DINNER: Dinner is NOT mandatory, nor included.

Golfers have the flexibility to purchase dinner before or after the round if the restaurant is still open, by heading to the restaurant/patio. You can order whatever you like off their standard menu or order some TACOS! Please let the staff know you're with Golf & Tacos so that the server can direct other golfers to your table, This is a casual format, but keeps your costs down so you can just enjoy the amazing company of golfers in Saskatoon! **Time to make some new friends!!** Please give yourself plenty of time before your tee time if you plan to eat. Give yourself even more time if you would like to eat AND warm-up!

CHECK-IN & PAYMENT: Head to the pro shop when you arrive and let them know which Golf & Tacos tee time you are checking in for. They will be able to ensure you aren't billed as a NO SHOW! We recommend golfers arrive and check-in at pro shop at least 20 minutes before your tee time to ensure you're ready on time. Be at the 1st tee by 10 minutes before your tee time.

WARM-UP: Golfers are welcome to use the putting green beside the clubhouse using your own balls. If you'd like to warm-up at the Range, you'll need to purchase a bucket from the pro shop.

****PACE OF PLAY:** Golfers are expected to maintain standard pace of play etiquette to ensure the golf course does not get backed up. We will be in trouble from Greenbryre if golfers aren't keeping up with the group ahead of you. No shame in using a foot wedge or dropping a ball with someone that crushed a big drive. 😊

Expected Time by Hole Par:
